SWE 381: Web Application Development

Fall 2020

#	Student Name	ID
1	Atheer Al-Sakran	438201242
2	Lena Al-Shayban	438201226
3	Maha Alshammari	438201023
4	Reema Alqahtani	438201057
5	Renad Alhaqbani	438201145

Instructor Name:

Ms. Rawan Alabdulrahman.

Section Number: 59872

1. Work Distribution:

#	Student Name	Responsibilities
1	Atheer Al-Sakran	Individual Pages
2	Lena Al-Shayban	House Keeper Pages
3	Maha Alshammari	Individual Pages
4	Reema Alqahtani	House Keeper Pages
5	Renad Alhaqbani	Admin Pages

2. Challenges:

- **Time Management was the most challenging. Therefore we have tried to solve it by dividing the work among team members, also the flexibility of submission time was very helpful.**
- **There are No onsite group meetings. Therefore the communication between group members was a bit harder.**

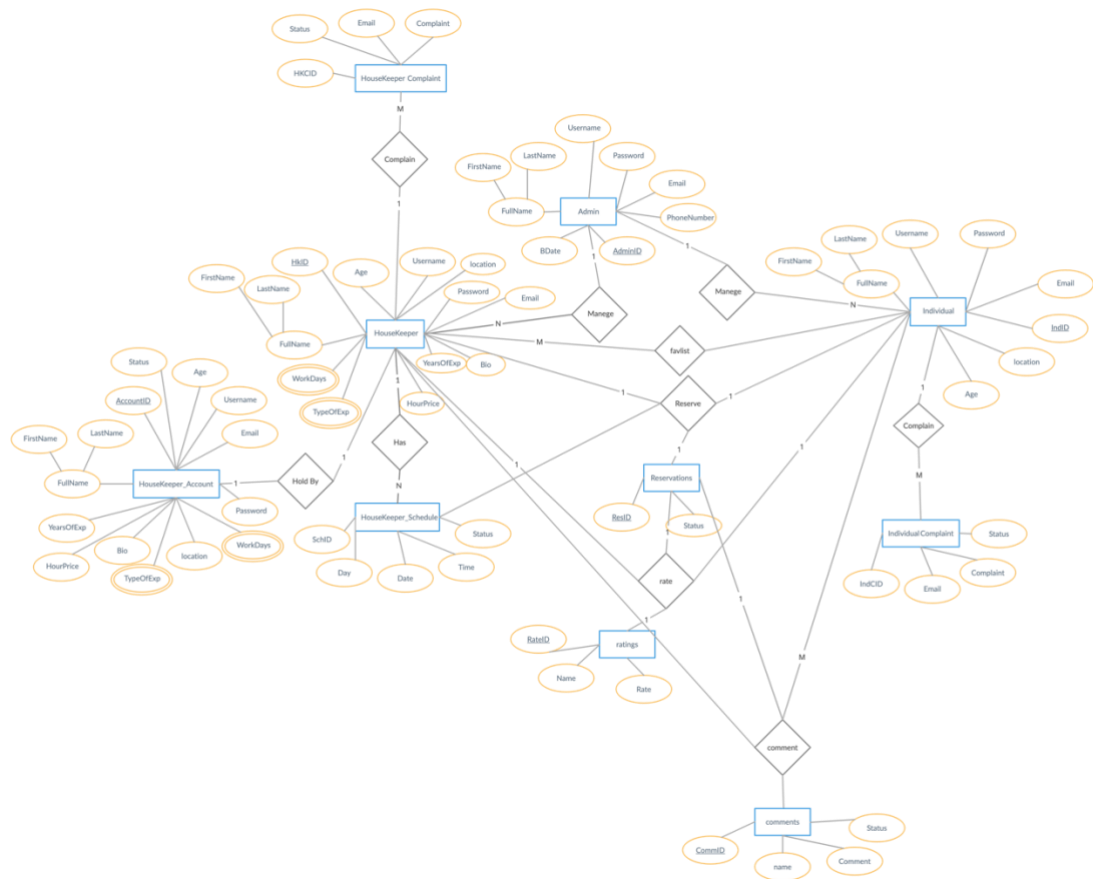

3. Filenames and their Purposes:

- RetreiveindComplaints.php: retrieve individual's complaints.
